## OVERVIEW

---

Property & Casualty Insurance Claim Professional with 30 years of experience in personal and commercial lines claims as a Claim Representative, Litigation Examiner, Supervisor, Trainer, Manager, and Consultant.

Handled, supervised, provided training for, managed, and consulted on thousands of claims involving personal injuries, property damages, and related damages submitted under personal and commercial auto policies, homeowner/condominium/rental policies, commercial property damage policies, commercial general liability policies, and business owner policies.

Experience includes personal and commercial auto liability: bodily injury (BI), property damage (PD), uninsured/underinsured motorists (UM/UIM), auto & premises medical payments (MP), personal injury protection (PIP); commercial liability: commercial general liability (CGL), product liability, professional liability, and employer's liability; and extra-contractual liability and bad faith exposures.

Experienced expert witness for both plaintiff and insurer defense cases.

*Property & Casualty Claim Consultant | Expert Witness*

## **State Auto Insurance Companies, Columbus, OH (1994–2012)**

### Corporate Claim Manager & Consultant (2009–2012)

- Member of Core Management Team
- Managed general adjuster teams responsible for handling large exposures, complex claims, and coverage issues under personal and commercial auto liability policies, homeowner and business owner, and commercial general liability policies. Exposures included bodily injury (BI), property damage (PD), uninsured/underinsured motorists (UM/UIM), auto & premises medical payments (MP), personal injury protection (PIP), commercial general liability (CGL), product liability, environmental, professional liability, and employer's liability.
- Personnel supervision, auditing, and special projects
- Provided reserve and settlement authority for matters exceeding \$100,000
- Collaborated with defense counsel regarding settlement or defense strategy, including the use of appropriate legal filings such as declaratory judgment actions.
- Responsible for oversight of bad faith litigation (first & third party) and extra-contractual exposures company-wide for liability and property claims.
- Reviewed, analyzed, and reported bad faith litigation and extracontractual exposures to General Counsel and excess insurers, provided defense strategy and disposition directions, and ensured consistent and appropriate corporate discovery responses.

### Claim Examiner/Sr. Examiner (2003–2007):

- Handled claim litigation involving primary, umbrella, and excess policies for multiple states while coordinating with defense counsel.
- Handled bad faith claims and extra-contractual exposure matters.
- Responsible for a large inventory of claim files involving large exposures, complex claims, and coverage issues under personal and commercial auto liability policies, homeowner policies, business owner policies, and commercial general liability policies. Exposures included bodily injury (BI), property damage (PD), uninsured/underinsured motorists (UM/UIM), auto & premises medical payments (MP), personal injury protection (PIP), commercial general liability (CGL), product liability, professional liability, employment practices, environmental exposures, and employer's liability.
- Provided direction to regional claim representative and managed independent contractor assignments.

### Claim Supervisor/Training Lead (1999–2003)

- Supervised new adjusters handling claims in multiple states.
- Developed training curriculum for expanding states of operation.
- Successfully onboarded dozens of entry-level associates by providing comprehensive training on the claim handling process and procedure, customer service, and technology.

# BRITTA M. MOSS, CPCU, SCLA, AIC-M

*Property & Casualty Claim Consultant | Expert Witness*

- Personnel management-temporary status reviews, performance reviews, auditing, budgeting responsibilities, and salary administration.

## Claim Representative (1995–1999)

- Managed a high volume of multi-line claims in multiple states.
- Responsible for all aspects of claim handling from first notice of loss through resolution.
- Investigation, coverage analysis, damage evaluations, negotiation and settlement, vendor management, communications, and payments.
