PROFESSIONAL EXPERIENCE

Britta M. Moss

Delaware, Ohio

Consultant/Expert Witness, Highbanks Insurance Professionals 2014- present

- Provide consultation services in the areas of industry standards and best practices, claim handling procedure and management, and bad faith exposure management.
- Expert Witness services on a case-by-case basis including review, analysis, written opinions, and deposition & trial testimony for both insurer defense and plaintiff matters.
- Partnership with Chris A. Johnson for educational seminars and presentation requests.

Independent P&C Claims Consultant 2012-2014

- Professional support in property & casualty claim matters in areas of analysis, evaluation and strategy.
- Provide insight and analysis of matters involving bad faith allegations and exposures.
- Coverage review and analysis for personal and commercial lines claims, first and third party.
- Audit services to assess adherence to industry standards and insurer internal claim handling requirements, as well as individual claim file and targeted audits.
- Discovery disclosure guidance and assistance.

State Auto Insurance Companies 1994-2012

Columbus, Ohio

Core Management Team 2009-2012
Corporate Claim Manager 2009-2012
Corporate Claim Consultant/Specialist 2007-2009

Managed Litigation and General Adjuster teams while directing casualty claim handling and litigation functions for numerous territories along with oversight responsibility for various special projects. Provided direct authority for reserving and settling claims in excess of \$100,000 and complex cases involving commercial general liability, personal and commercial auto liability, and homeowner liability. Collaborated with defense counsel to provide appropriate defense of insured and/or insurer or formulate settlement strategy, including use of appropriate legal filings such as declaratory judgment actions.

Responsible for oversight of claims (property & casualty, personal & commercial lines, first & third party) involving bad faith allegations and extra-contractual exposure. Reviewed reported matters, provided direction for defense strategy and disposition, ensured consistent and appropriate corporate discovery responses, reported internally to General Counsel, and provided timely and accurate reporting to excess insurers.

- Developed and implemented a National Coordinating Counsel program for oversight of bad faith litigation and exposure. Program coordinated efforts of NCC, local defense counsel, claim handlers, excess insurers/reinsurers, and key stakeholders in other departments.
- Served on Litigation Compliance and Disclosure Control Committee responsible for various SEC disclosures involving extra-contractual exposures.
- Established and managed company-wide program for procurement of coverage opinions to ensure consistent and efficient practice and coordination with local defense counsel.
- Served on Large Loss Committee providing direction for resolution or defense, and/or authority for reserve or settlement for exposures in excess of \$500,000.
- Participated in company E&O policy annual review and renewal process.
- Special projects as assigned, including: interviewing for new hires, vetting computer claim handling programs, review of panel counsel qualifications, coordination with house counsel, and acquisition due diligence projects.
- Performed day to day supervisory functions including temporary status reviews, performance reviews, budgeting responsibilities, and salary administration duties.

- Promoted good faith handling practices consistent with company policy and stressing objectivity, fairness and flexibility.

Claim Examiner/Senior Claim Examiner

2003-2007

Directed front-line litigation claims operations, supervised non-litigated claims handled by regional claim representatives, and managed independent contractors for case-by-case assignments. Responsible for large inventory of claim files involving primary and umbrella policies, personal and commercial auto, homeowner, commercial general liability, bad faith, employment practices, environmental exposures, product liability, premises liability and professional liability. Responsible for prompt, thorough, and objective investigations, proper coverage analysis, compliance with applicable state laws, statutes, and regulatory notifications, accurate injury/damage evaluations, fair negotiations and appropriate disposition of claims.

- Coordinated investigative efforts conducted by regional claim representatives, independent adjusters, and defense counsel to obtain relevant documentation such as investigation reports, medical or financial records, property inspections, scene investigations, surveillance, recorded interviews, written discovery, and depositions.
- Thorough analysis of coverage issues, including use of reservation of rights letters, non-wavier agreements, legal opinions and declaratory judgment actions as appropriate.
- Continual study of applicable state laws, statutes, and regulations affecting application of policy language and other key issues.
- Maintained multiple state adjusting licenses.
- Front-line evaluation and review of evaluations by claim representatives for minor bodily injury to serious injury or fatal losses, as well as evaluation of injury causation.
- Front-line evaluation and review of evaluations by claim representatives for property damage losses, including claims involving workmanship, depreciation or cause of loss disputes.
- Negotiated resolution of claims as appropriate: by telephone, via written correspondence, attendance at voluntary mediation, court-ordered mediation, through defense counsel or directly with plaintiff counsel.
- Resolved claims via settlement, structured settlements, arbitration, mediation agreement, court opinion or trial.

Claim Supervisor/Head of Training

1999-2003

Supervised unit of entry level claim handlers in newly formed central claims department. Partnered with home office staff to establish claim handling best practices. Effectively developed dozens of associates toward successful performance in claim functions; resulting in many going on to continued productive claims careers or other insurance professions.

- Responsibility for oversight of thousands of claims handled each year for a continually expanding number of states of operation.
- Performed day to day supervisory functions including temporary status reviews, performance reviews, budgeting responsibilities, and salary administration duties.
- Onboarded dozens of entry-level associates, conducted comprehensive training on claim handling procedure, customer service, computerized claim system, documentation, investigations, recorded statements, policy structure, policy coverages, communications, damage evaluations, negotiation techniques and settlement requirements.

Claim Representative/Senior Claim Representative

1995-1999

Handled large volume of multi-line claims in regional claims office. Conducted all aspects of claim handling from initial file set up through disposition. Claims assigned from multi-state region. Responsible for investigation, coverage analysis, damage evaluation, negotiation and settlement.

- Performed day to day claim representative duties including: property inspections, scene investigations, vehicle damage estimates, residential damage scope and repair estimates, recorded statements, obtain medical/information release authorizations, order police/fire reports, review contents inventories, proofs of loss, damages evaluations, coordination of

- external vendors, rental car approval, resolve storage fees, negotiations with policyholders, claimants and attorneys, obtain releases, and issue claim payments.
- Handle a wide-range of claim-types including, but not limited to: minor parking lot collisions, deer hits, storm damage to homes & commercial buildings, damage to other structures, weather catastrophe claims, slip and falls, product liability, business income loss, increased business expense, serious bodily injury, disputed liability, single & multiple vehicle accidents, pedestrian accidents, questionable coverage, fatalities, faulty workmanship, building code/upgrade issues, auto total loss, fire, theft, collapse, water damage, hail damage, ice damming, sewer/drain back up, uninsured/underinsured motorists, medical payments, personal injury protection, suspicious and/or fraudulent claims.
